## Bell Ringer

### 1) Week 1 Vocabulary Part A

I have used 5 vocabulary words in a sentence. Use the context clues in each sentence to remember the definition and write it down.

1. The meadow **abounded** in flowers. They could barely see the grass for all the colorful blooms carpeting the field.
2. My mom has final say on what I wear for the day. She is the **arbiter** of all my decisions!
3. The witness tried to tell the events in the order that they happened, but she wasn't sure about their **chronology**. She might have accidentally switched a couple of the details.
4. Don't you think this shirt **accentuates** my eyes? They've never looked so bright blue before.
5. The parents were amazed by the grades and projects produced by their children. It was like a **renaissance** in the classroom.

For any definitions you can't remember, you may now either look it up in your notes or ask a friend. You must stay in your seat, so talk to the people around you.
